Independent Practitioner's Reasonable Assurance Report on Compliance

To the Board of Directors of Women Entrepreneurs of Saskatchewan Inc.

We have undertaken a reasonable assurance engagement of the accompanying statement of Women Entrepreneurs of Saskatchewan Inc. (the Organization) compliance for the year ended March 31, 2026, with the specified requirements established in Schedule G of the Contribution Agreement with Prairies Economic Development Canada dated March 25, 2021.

Management's Responsibility

Management is responsible for measuring and evaluating the Organization's compliance with the specified requirements established in Schedule G of the Contribution Agreement with Prairies Economic Development Canada dated March 25, 2021 and for preparing the Organization's statement of compliance. Management is also responsible for such internal control as management determines necessary to enable the Organization's compliance with the specified requirements.

Our Responsibility

Our responsibility is to express a reasonable assurance opinion on management's statement based on the evidence we have obtained. We conducted our reasonable assurance engagement in accordance with Canadian Standard on Assurance Engagements 3530, *Attestation Engagements to Report on Compliance*. This standard requires that we plan and perform this engagement to obtain reasonable assurance about whether management's statement is fairly stated, in all material respects.

Reasonable assurance is a high level of assurance, but is not a guarantee that an engagement conducted in accordance with this standard will always detect a material instance of non-compliance with specified requirements when it exists. Instances of non-compliance can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the decisions of users of our report. A reasonable assurance compliance reporting engagement involves performing procedures to obtain evidence about management's statement of the Organization's compliance with specified requirements. The nature, timing and extent of procedures selected depends on our professional judgment, including an assessment of the risks of material misstatement of management's statement, whether due to fraud or error, and involves obtaining evidence about management's statement.

We believe the evidence we obtained is sufficient and appropriate to provide a basis for our opinion. Information relevant to the Organization's compliance with the specified requirements set out in the Schedule G of the Contribution Agreement with Prairies Economic Development Canada dated March 25, 2021 is set out in management's statement of compliance.

Our Independence and Quality Management

We have complied with the relevant rules of professional conduct / code of ethics applicable to the practice of public accounting and related to assurance engagements, issued by various professional accounting bodies, which are founded on fundamental principles of integrity, objectivity, professional competence and due care, confidentiality and professional behaviour.

Our firm applies Canadian Standard on Quality Management (CSQM) 1, *Quality Management for Firms that Perform Audits or Reviews of Financial Statements, or Other Assurance or Related Services Engagements*, which requires the firm to design, implement and operate a system of quality management including policies or procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

Opinion

In our opinion, management's statement that the Organization complied with the specified requirements established in Schedule G of the Contribution Agreement with Prairies Economic Development Canada dated March 25, 2021 is fairly stated, in all material respects.

We do not provide a legal opinion on the Organization's compliance with the specified requirements.

Purpose of Statement

Management's statement of compliance has been prepared to report to Prairies Economic Development Canada on the Organization's compliance with the specified requirements established in Schedule G of the Contribution Agreement with Prairies Economic Development Canada dated March 25, 2021. As a result, management's statement of compliance may not be suitable for another purpose. Our report is intended solely for the Organization.

We acknowledge the disclosure of our report, in full only, by the Organization at its discretion to Prairies Economic Development Canada without assuming or accepting any responsibility or liability to Prairies Economic Development Canada or any other third party in respect of this report.

Our report should not be distributed to parties other than the Organization or Prairies Economic Development Canada.
